"Follow the Market"

is our motto for this year.

If our price on any article is out of line tell us.

It was impossible to keep our prices up to market conditions when goods were advancing, so now it is impossible to be informed of each decline as it takes place.

It is our purpose, however, to give our customers the benefit of any new price that is out, and to purchase good, clean, substantial

Hardware

and sell it to our customers at an honest profit.
